Brent,

Per Section XXXII of the Order, “[t]his Settlement Agreement shall be effective upon receipt by Respondent [the City of Kokomo] of a copy of this Settlement Agreement signed by the Director, Superfund Division, U.S. EPA Region 5.” EPA received receipt that the City received the Order on August 5, 2013; the tracking information is below. I have updated the schedule (see attached) with the effective date. The first deliverables are due to me on August 12, 2013.

Shelly,

Please confirm something for me. During our recent call I thought we had collectively decided that the effective date of the Order would be when the EPA had received the certified mail confirmation. Is that correct, or was I mistaken?
